Organized by:

Mestrando Tigri (*Silas Pinto, Ph.D.*)

Hosted by: Mestrando Tigri and Instrutor Pantera

Dear friends,

As we all know, at the core of capoeira – lies friendship, which is the motivation for the gathering at least once per year, where we get to celebrate the transitions of our students. I want to thank you in advance for your presence at our event this year.

Grupo Ondas strongly believes in the synergy that is created when people from different backgrounds and experiences come together. It contributes to a richer, more profound experience for us all. Although Capoeira is a Brazilian sport of African origins, it has become a world sport that respects and encompasses the contributions of individuals from around the globe.

This is the tentative plan for the DAY OF THE GRADUATION.
